Students enter building.

8:05                      Tardy bell rings.

2:45                      Student dismissal.

### **Morning Procedures:**

7:30 – 7:45              Students eating breakfast are to report directly to the cafeteria.

All other students arriving prior to the 7:55 a.m. bell must report directly to the playground.

**Tardiness:**              It is important for students to be on time at the beginning of each school day. Tardiness and absences do affect a child's academic and social progress. When tardy students arrive they should report directly to the office. This enables us to take care of attendance and lunch count.
