

What is a Family-School Compact?

When families and schools work together, students are more likely to succeed in the educational setting. We are committed to fostering high expectations and promoting positive attitudes to achieve high academic standards and excellence in a safe and nurturing environment. As a reflection of that goal, the Family-School Compact is our way of encouraging support for our students from both the home and the school.

Lincoln School Pledge

Lincoln School is a family, and I am a member of that family. As a member, I pledge to treat other people kindly, to respect other people and their property, to make the school safe, calm, and peaceful, to learn self-control, and to help other people do the same. Lincoln School is one school and one family with respect and dignity for all.
